

The **Naval Research Enterprise Internship Program (NREIP)** provides an opportunity for college students to participate in research at a Department of Navy (DoN) laboratory.

Eligibility

- Enrolled at a four-year U.S. college or university accredited by the U.S. Department of Education; students attending two-year colleges who meet the credit hour requirements may be eligible at the laboratory's discretion
- University sophomores, juniors, seniors or graduate students; freshmen who have reached the credit level of a sophomore before starting the internship are also eligible
- Studying in a program of study that is relevant to the research interests of the participating laboratories
- U.S. citizenship; some participating laboratories will consider permanent residents

NREIP Participating Labs Across the Country

Award duration is a continuous 10 weeks.

NREIP offers a competitive **stipend** for its interns.

- New undergraduate student participants: \$7,500
- Returning undergraduate students (students **MUST** have completed a full 10-week program in a prior year to receive this level): \$9,000
- Graduate students (students must currently be in graduate school and taking graduate school courses to receive this level): \$11,500
